

Exercise2

Calculate the volume of these shapes (all sizes in cm).

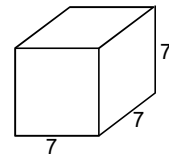

1)

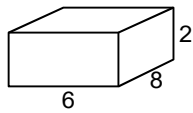

2)

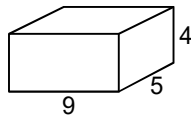

3)

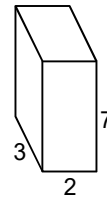

4)

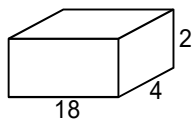

5)

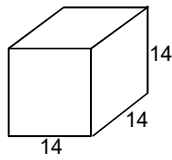

6)

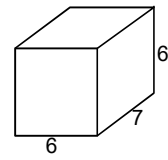

7)

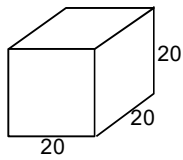

8)

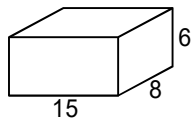

9)

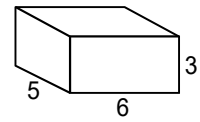

10)

11)

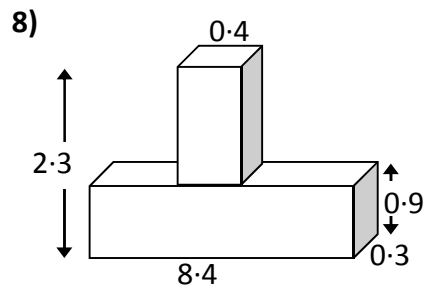

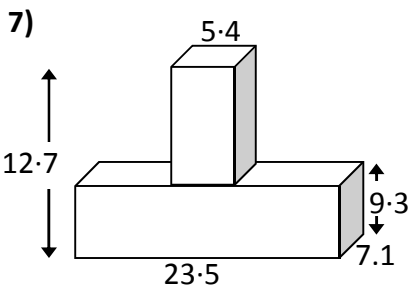

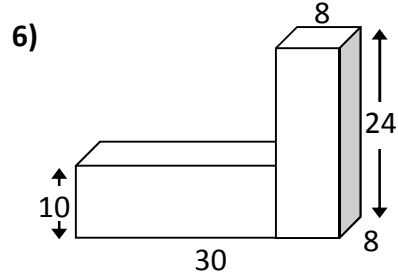

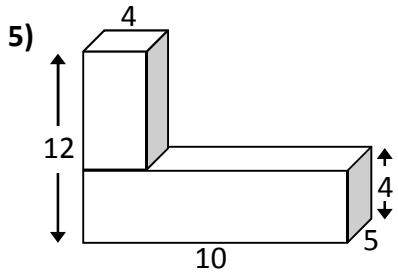

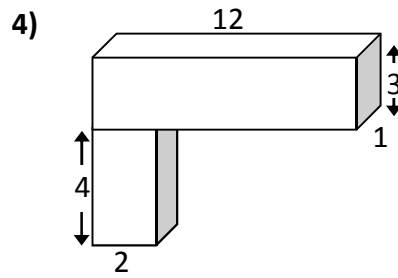

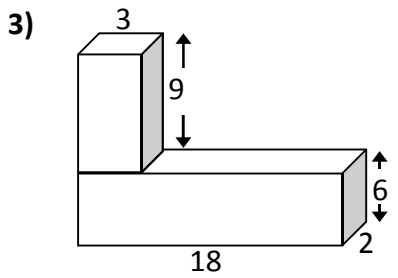

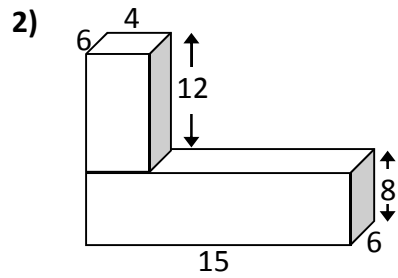

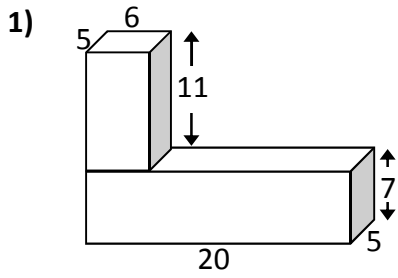

12)

Exercise 3 (remember to include units in your answer: cm^3 , m^3 , km^3)

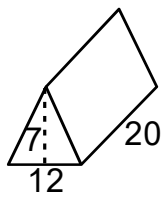

Work out the volume of the following cuboids (lengths are in cm)

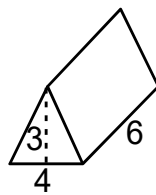

Exercise 5

Calculate the volume of these triangular prisms (all sizes in cm).

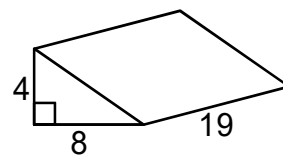

1)

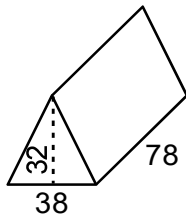

2)

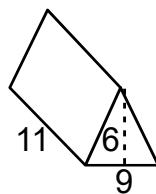

3)

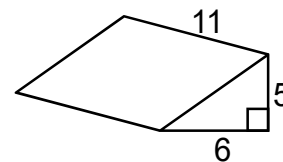

4)

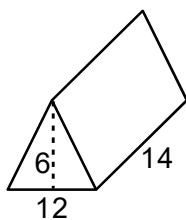

5)

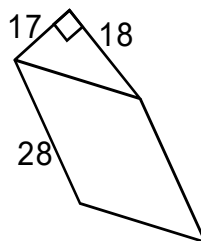

6)

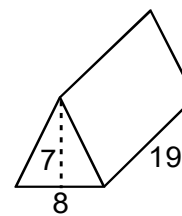

7)

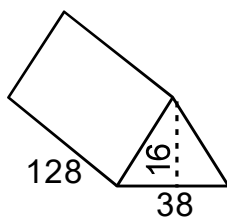

8)

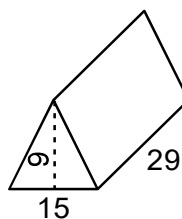

9)

10)

11)

12)
